Office Memorandum • UNITED STATES GOVERNMENT

TO : Director of Training

DATE: 5 November 1953

FROM : Chief, Jr. Officer Training Division

SUBJECT: Weekly Progress Report -- 29 October - 5 November 1953

1. A group of ten University Consultants have been fully cleared and are in process of being indoctrinated. In addition to attending the Eleventh Agency Orientation lectures, they have been briefed by the D/TR; DD/P; Chief, Programs Division; Chief, Orientation and Briefing Division; DD/Security; Deputy Chief, Contact Division, OO; and various members of the Procurement and Utilization Division of Personnel; and Chief, Junior Officer Training Division. They also had a round table discussion of the JOT Program with JOT's [redacted]

[redacted] The list of these Consultants is attached.

2. The following JOT's have entered BIC #15, the latter two being in the OCS Program: [redacted]

3. JOT [redacted] has been temporarily attached to ORR for on-the-desk training.

4. JOT [redacted] is attending the first two weeks of the Admin Course #48 prior to entrance into Phase II.

5. Because of General Hersey's unwillingness to extend the ninety-day Stay of Induction granted to those who have been brought on with Provisional clearance, it has been necessary to initiate processing of [redacted] into the Navy. It is worth noting that the adoption of this principle may mean that in a few cases candidates for the OCS Program will not be given BIC in full or even at all before entrance into service.

6. Interviews were held with two prospective candidates; files of six prospective candidates are in the process of review. Action was requested on [redacted] at a GS-7.
